Please pray God has mercy, it's been over 40 years with being stuck inside my head with autism and not being able to communicate with others, I'm tired and ready to be with my Lord. The demonic attacks seem constant. Often these monk types are the only ones that seem to understand. The only hope is God did all this to strip this world away and draw me to Him.

In 20 short years of being Orthodox, the accomplishments of this man cannot be overstated. He translated complex RUssian theological works from prestigious figures in the Orthodox world. I'm a Catholic, but have a great love and admiration of the Orthodox church and its aestheticism. I went to a local Greek Orthodox Church for almost a year. The writings of Seraphim Rose really helped shape who I am today.

To Harmony- from a Protestant, I adore these videos. The stories inspire me to be attuned to the more mystical nature of faith. I am beyond entranced by the way you speak- the cadence, the richness of voice, the calm presence. Thank you and bless you for your work.
